Young Research Champions

Come along to our launch meeting on Saturday 29th October from 2pm - 5pm at the Clinical Research Facility at Birmingham Children's Hospital.

You will get to learn about research and what the group does and have some fun!

Why join the group?

We need you to help us make research the best it can be through your own personal experiences.

We pay your travel expenses and you will receive a thank you voucher for your participation.

We meet every six weeks on a Saturday at Birmingham Children's Hospital.
